Hewlett Packard Enterprise

ITES-3H Contract Number
W52P1J-16-D-0012

The Information Technology Enterprise Solutions - 3 Hardware (ITES-3H) contracts are multiple award, indefinite Delivery/Indefinite Quantity (DI/Q) contract vehicles, specifically designed as the primary source of information technology (IT) equipment to support the Army enterprise infrastructure and infrastructure goals with a full range of innovative, world class information technology equipment and solutions at a reasonable price. Working in partnership with the prime contractors, CHESS manages the contracts in coordination with ACC-RI. ITES-3H contractors to enhance Army capabilities by partnering with and supporting the implementation of Network Enterprise Technology Command’s (NETCOM) networthiness program. Through the use of ITES-3H, users have a flexible means of meeting IT hardware total-solutions requirements quickly, efficiently, and cost-effectively.

The Army, Department of Defense and all other federal agencies are eligible to purchase and lease equipment as well as other related incidental services through ITES-3H. Products procured through this acquisition vehicle are required to comply with DoD and Army standards.
